Attend a FREE
Health and Safety
Awareness Seminar for
Youth

Tuesday May 6th, 2003

2:30 – 4:30 pm

at careerworx!

(23 Main St. E Hamilton)

This seminar will highlight general workplace health and safety information and is NOT a replacement for workplace-specific training is required on-the-job.

Youth attending this seminar will learn about their rights and responsibilities as a young worker and how to identify common workplace hazards. They will also find out what questions to ask and what actions to take to keep themselves safe when entering a workplace.
