
Mould

in the Workplace

A Basic Guide

This guide provides information about mould that workers may be exposed to in the workplace, including how to recognize mould, clean it up and prevent its regrowth.

The content will help the reader to:

- Recognize conditions that are favourable to mould growth.
- Identify jobs that pose a risk of harmful mould exposure.
- Plan workplace surveys to identify mould problems.
- Evaluate the need for mould measurement and analysis.
- Interpret mould measurement information.
- Develop and implement a mould management and control program.
